Dear

Thank you for talking with me on _____ about your health and medications. Medicare's MTM (Medication Therapy Management) program helps you understand your medications and use them safely.

This letter includes an action plan (Medication Action Plan) and medication list (Personal Medication List). **The action plan has steps you should take to help you get the best results from your medications. The medication list will help you keep track of your medications and how to use them the right way.**

- Have your action plan and medication list with you when you talk with your doctors, pharmacists, and other healthcare providers in your care team.
- Ask your doctors, pharmacists, and other healthcare providers to update the action plan and medication list at every visit.
- Take your medication list with you if you go to the hospital or emergency room.
- Give a copy of the action plan and medication list to your family or caregivers.

If you want to talk about this letter or any of the papers with it, please call **3/:** **88/574/7527**, Monday through Friday, 8am-8pm CST. **VV[IVFF** users should use **933**. We look forward to working with you, your doctors, and other healthcare providers to help you stay healthy through the

Sincerely,
The OptumRx Clinical Team
