# **2018 Pharmacy Directory**

This pharmacy directory was updated on January 9, 2018. For more recent information or other questions, please contact Health Alliance Medicare Member Services at 1-877-917-8550 or, for TTY users, 711, 8 a.m. – 8 p.m., Local Time, 7 days a week. From February 15 – September 30 voicemail will be used on weekends and holidays. Or visit [HealthAllianceMedicare.org](http://HealthAllianceMedicare.org).

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [HealthAllianceMedicare.org](http://HealthAllianceMedicare.org). You may also call Member Services for updated provider information.

Health Alliance Medicare is a Medicare Advantage Organization with a Medicare contract. Enrollment in Health Alliance Medicare depends on contract renewal.

Other pharmacies are available in our network.

The pharmacy network may change at any time. You will receive notice when necessary.

## **Introduction**

This booklet provides a list of Health Alliance Medicare's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Health Alliance Medicare's formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Health Alliance Medicare. When it refers to "plan" or "our plan," it means Health Alliance Medicare.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Health Alliance Medicare only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of January 9, 2018. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies by listing them under the Preferred Pharmacies section to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail-order delivery program. For more information, please contact us or see the mail-order section of this pharmacy directory.

This directory is for the Iowa service area which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory please see the first and last cover pages of this directory for information on how to contact Health Alliance Medicare.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Health Alliance Medicare.
