

Illinois Health Alliance Medicare HMO and PPO 2016 Pharmacy Directory

This pharmacy directory was updated on July 1, 2016. For more recent information or other questions, please contact Health Alliance Medicare HMO and PPO Member Services at 1-800-965-4022 or, for TTY users, 711, Monday through Friday, 8 a.m. to 8 p.m., or visit HealthAllianceMedicare.org.

Health Alliance Medicare is an HMO and PPO plan with a Medicare contract. Enrollment in Health Alliance Medicare depends on contract renewal. This information is available for free in other languages. Please call our Member Services at 1-800-965-4022, Monday through Friday, 8 a.m. to 8 p.m. TTY/TDD users should call 711.

The pharmacy network may change at any time. You will receive notice when necessary.

Health Alliance Medicare's pharmacy network offers limited access to pharmacies with preferred cost sharing in urban and suburban Illinois. The lower costs advertised in our plan materials for these pharmacies may not be available at the pharmacy you use. For up-to-date information about our network pharmacies, including pharmacies with preferred cost sharing, please call 1-800-965-4022 or consult the online pharmacy directory at HealthAllianceMedicare.org.

Introduction

This booklet provides a list of Health Alliance Medicare HMO and PPO network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Health Alliance Medicare's Formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Health Alliance Medicare only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of July 1, 2016. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be lower at pharmacies in this list that offer preferred cost-sharing. We listed these under Preferred Pharmacies to distinguish them from other pharmacies in our network that offer standard cost-sharing. Cost-sharing information can be found in the Summary of Benefits.

You can get prescription drugs shipped to your home through our network mail-order delivery service. For more information, please contact us or see the mail-order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside the Illinois HMO and PPO service area in which you live. You may also fill your prescriptions at these pharmacies.

If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact Health Alliance Medicare HMO and PPO.
