*NOTE: **Plan F** also has an option called a high-deductible Plan F. This high deductible plan pays the same benefits as Plan F after one has paid a calendar year \$2,200 deductible. Benefits from high deductible Plan F will not begin until out-of-pocket expenses exceed \$2,200. Out-of-pocket expenses for this deductible are expenses that would ordinarily be paid by the policy. These expenses include the Medicare deductibles for Part A and Part B, but do not include the plan's separate foreign travel emergency deductible.

BASIC BENEFITS: Included in all plans.

Hospitalization: Part A coinsurance plus coverage for 365 additional days after Medicare benefits end.

Medical Expenses: Part B coinsurance (generally 20% of Medicare-approved expenses), or copayments for hospital outpatient services. Plans K, L and N require insureds to pay a portion of Part B coinsurance or copayments.

Blood: First 3 pints of blood each year.

Hospice: Part A coinsurance.

Once you reach the annual limit, the plan pays 100% of your Medicare copayment and coinsurance for the rest of the calendar year. **However, this limit does NOT include charges from your provider that exceed Medicare-approved amounts (these are called “Excess Charges”) and you will be responsible for paying this difference in the amount charged by your provider and the amount paid by Medicare for the item or service.**

*** For Plan L: You will pay one-half of the cost-sharing of some covered services until you reach the annual out-of-pocket limit of \$2,560 for the calendar year.
