For more information about Health Alliance Medicare Companion HMO network pharmacies in your area, please visit our website at HealthAllianceMedicare.org or call Health Alliance Medicare Services at 1-877-750-3350, Monday through Friday, 8 a.m. to 8 p.m. TTY/TDD users should call 711 or 1-800-833-6388 (Washington Relay). The pharmacy directory was updated on September 1, 2013.

Beneficiaries must use network pharmacies to access their prescription drug benefit. Benefits, formulary, pharmacy network, premium and/or coinsurance may change on January 1 of each year.

Health Alliance Medicare is an HMO health plan with a Medicare contract. Enrollment in Health Alliance Medicare depends on contract renewal.
Introduction
This booklet provides a list of Health Alliance Medicare Companion HMO network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and the Health Alliance Medicare Part D Companion HMO Formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under Health Alliance Medicare only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of September 1, 2013. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs may be less at certain pharmacies in this list. We have listed these in the directory under Preferred Pharmacies. We call these pharmacies preferred pharmacies, and they may offer lower cost-sharing than other pharmacies.

We also list pharmacies that are in our network but are outside the Wenatchee Valley area.
